

The Royal Observatory Greenwich is proud to host  
**The Presenter Network  
Conference 2018**

**Thursday 13<sup>th</sup> September 2018**

After the storming success of our first conference in 2017 we are back to do it all again! The day will be jam-packed with sessions facilitated by members of the network but don't panic, there will be plenty of time to network and share best practice too. The key note speaker this year will be the fantastic award-winning writer and performer Helen Keen!

This network has been designed by presenters for presenters so whether you are just starting out or want to freshen up your skills there will be plenty to suit. Places are **free** but allocated only to those actively involved in presenting and on the Presenter Network.
