

Micro:bit Christmas Ornaments

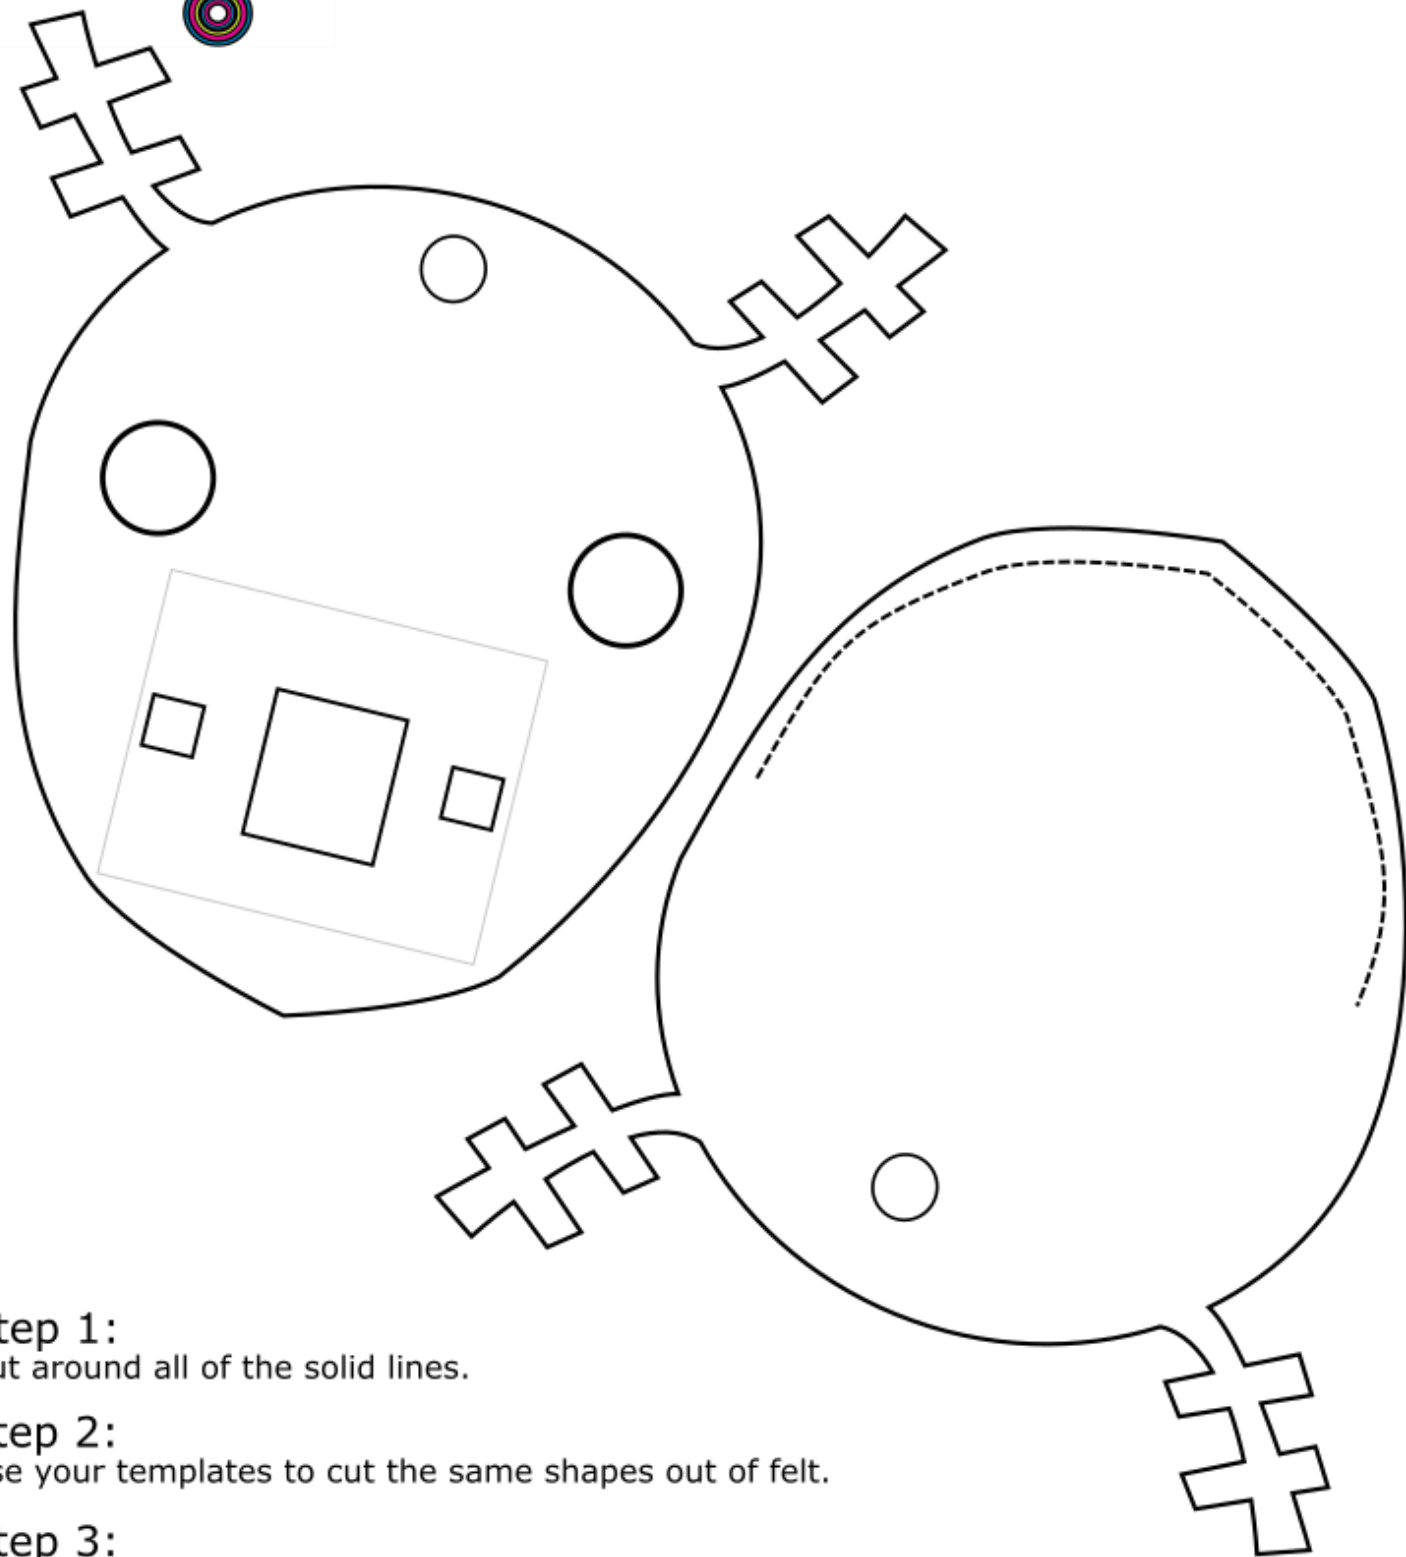

Materials:

Ornament print-out with instructions (attached)
Felt
Scissors
Glue
Ribbon
Any other craft supplies for decorating

Overview

1. Print out template
2. Cut template out in felt
3. Glue together
4. Attach ribbon

Step 1:

Cut around all of the solid lines.

Step 2:

Use your templates to cut the same shapes out of felt.

Step 3:

Carefully put a THIN line of glue on the back piece, following the dotted lines.

Step 4:

Line up the two pieces, and stick them together.

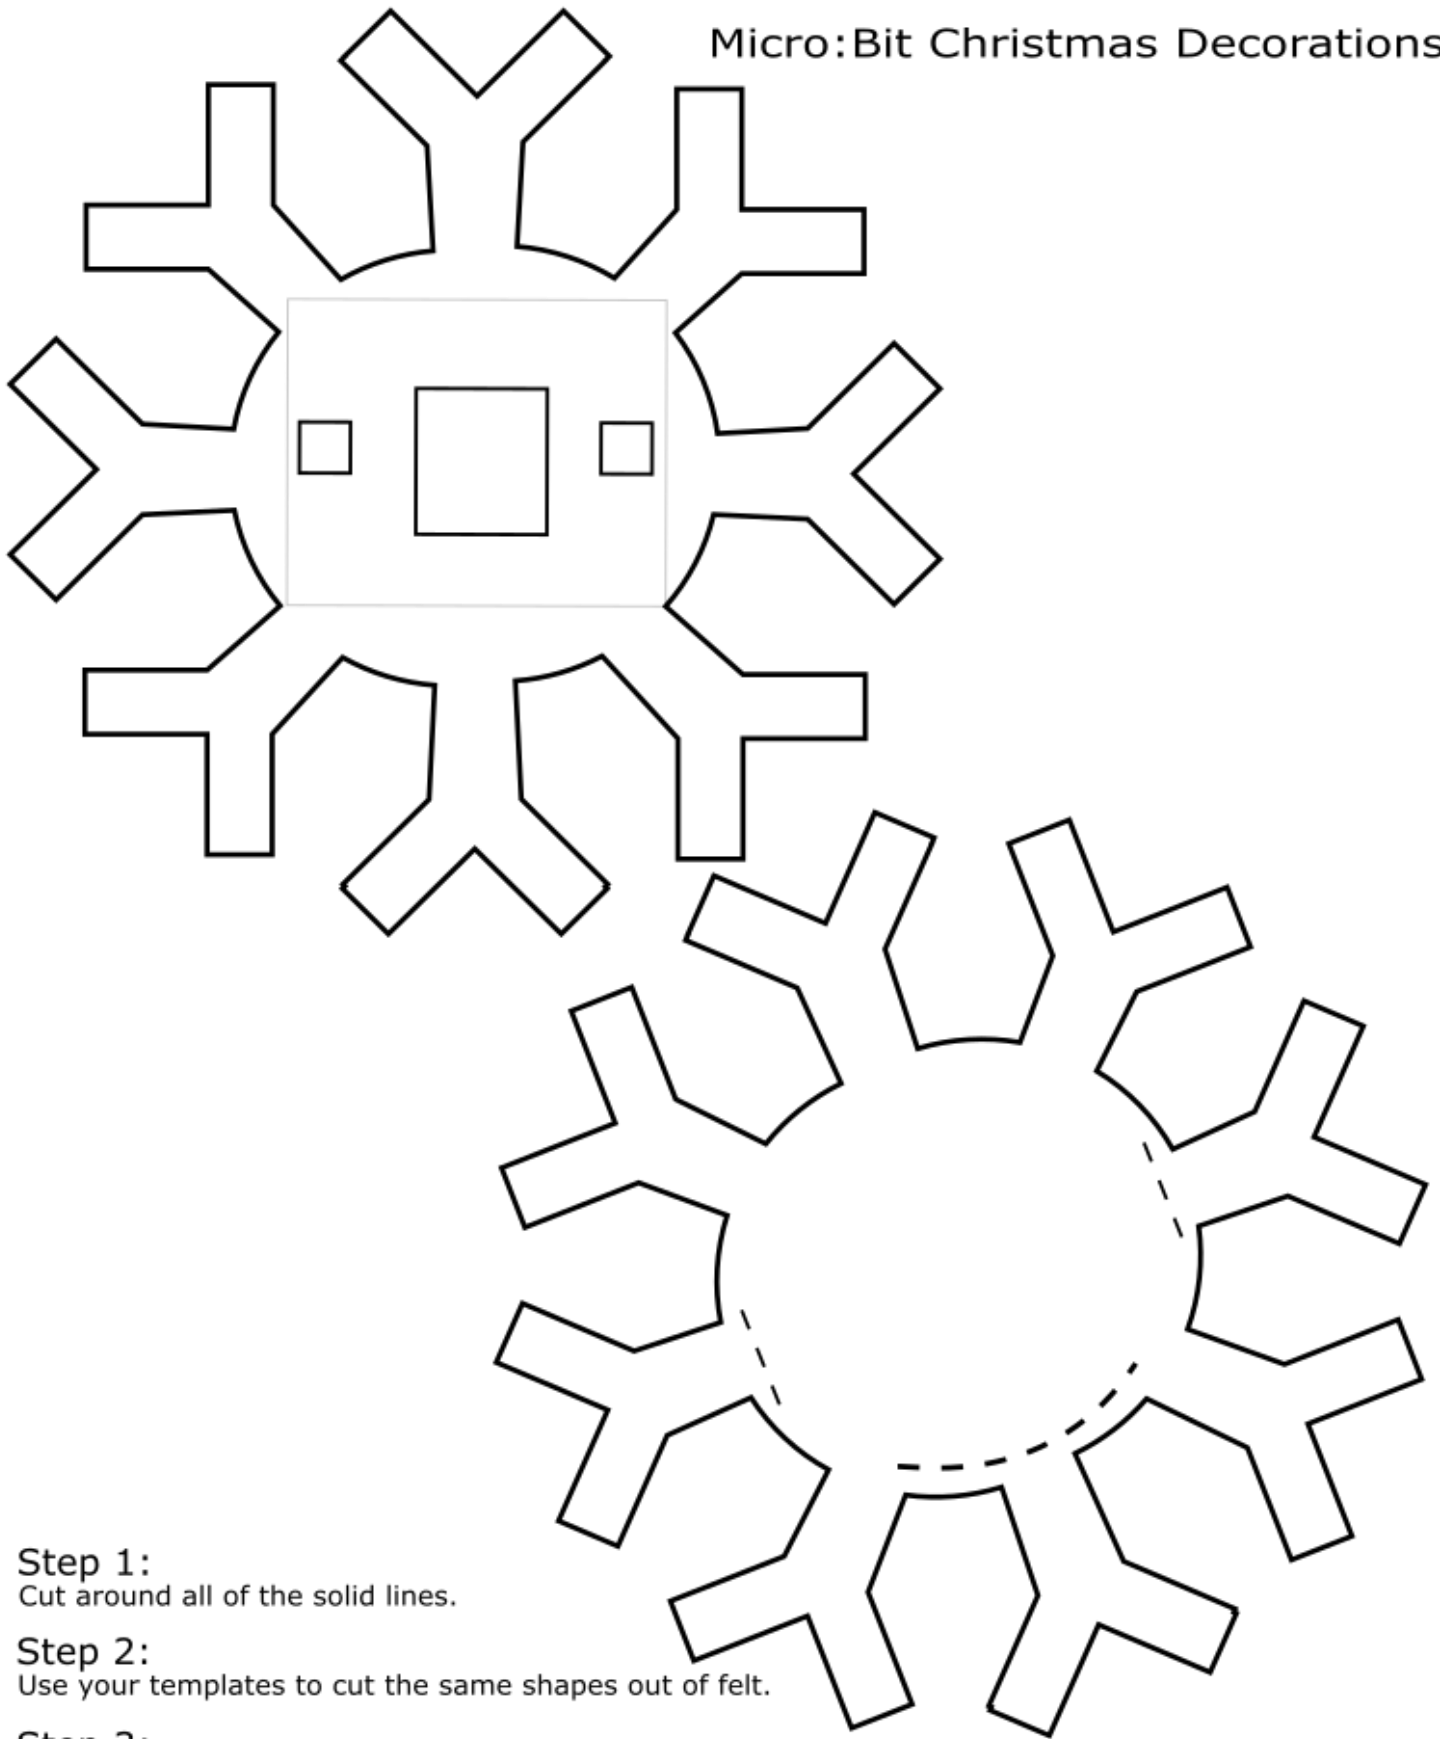

Step 5:

Check that your micro:bit fits inside your new decoration!

Step 5:

Tie a ribbon through the hole, then use the craft supplies to decorate!

Micro:Bit Christmas Decorations!
