## IMPORTANT

Please **do not** use Sat Nav directions and approach the Centre via Quarry Hollow or Quarry High Street as these streets are too narrow for coach access and larger minibuses.

## BY COACH

The driveway to the Science Oxford Centre is not accessible for coaches. The drop-off and pick-up points are on Quarry Road, close to Douglas Downes Close. Science Oxford staff will meet arrivals and escort children to and from the Centre. There are no on-site parking facilities for coaches but these can be found at Redbridge Park & Ride (OX1 4XG), a 15-minute drive from the Quarry Road.

## BY MINIBUS

The Centre is accessible to minibuses and there are two dedicated parking spaces. Please request parking at the time of booking.
