

Risk Assessment – COVID-19 Outreach

Creator/Reviewer of Risk Assessment	Name Sophie Batin
	Signature 
Next Review Date	September 2024

Severity	Likelihood	Risk Rating* (S x L)
1 No or Little Harm	1 Unlikely	1-5 Low
2 Minor/First Aid	2 Possible	6-10 Medium
3 Medical Attention	3 Probable	10+ High
4 Hospitalisation	4 Likely	
5 Death/Irreparable Injury	5 Certain	

This risk assessment follows the guidance that was current at the time of writing. We continue to risk assess all our activities and can step-up or step-down precautions for COVID or any other respiratory disease. Currently, there are no relevant restrictions in place but official guidance, for any epidemics or pandemics, will be monitored closely. Each of our school activities also have their own risk assessment which can be found on our website.

Science Oxford Risk Assessment			Severity	Likelihood	Risk Rating*
Hazard	Risk	Control Measures			
Exposure to COVID-19 (coronavirus)	All Transmission of disease from touching objects	<ul style="list-style-type: none"> Schools will be advised that pupils should wash their hands before and after activities Activities that require contact with the mouth or face will be used at the discretion of the presenter Cleaning products will be available to the presenter for the activity equipment and for their hands 	3	1	3
	School staff, children, Science Oxford staff Person to person transmission of disease	<ul style="list-style-type: none"> Science Oxford staff will follow current official guidelines around self-isolation, social distancing and mask wearing Schools are also expected to follow official guidelines Where possible, rooms should be well ventilated 	3	2	6

Please use this risk assessment in conjunction with Science Oxford’s activity-specific risk assessments, your own prior assessments and dynamic management of risk.
