The Big Question

scienceoxford.com

Why does the
Blackpool Tower
look like this?

Why does the Blackpool Tower look like this?

Talk together to discuss all the different reasons you can think of.

Top Tips:

- Give yourselves time to think first.
You can consider its shape, its size, its structure, what it's made from, it's purpose...
- You might want to do some research to find out more.

For Extra Challenge:

Can you create your own version of the Blackpool Tower?

Share your thoughts with us...

Tell us what you came up with, or send us photos or a video of your own version of the Blackpool Tower and share on Twitter, Facebook or Instagram:
