

OUTDOORS AT THE SCIENCE OXFORD CENTRE

FAMILY VISITS SCIENCE OXFORD CENTRE

EXPLORE • DISCOVER • PLAY

Explore our woodland, ponds and grassland around the Science Oxford Centre. There are three trails which vary in length and are marked in different colours so you can easily find your way. There's always something to do or see whatever the weather!

- Woodland trails**
- 1km; 20–40 mins
 - 750m; 15–30 mins
 - 400m; 10–20 mins

 There is wheelchair access to the viewing deck, the amphitheatre and around the ponds. Beyond this, the paths have steps and steep areas which may make access challenging.

- KEY**
- 1 Science Oxford Centre
 - 2 Ponds
 - 3 Amphitheatre
 - 4 Wood Centre for Innovation
 - 5 Viewing deck
 - P Parking
 - B Cycle parking
 - E Electric charging points

Environmental adventurers can go wild outdoors with our **Explorer Backpacks**, including a compass, magnifying glass, creature spotter chart and bug pot. Ask for one on entry.

INSIDE THE SCIENCE OXFORD CENTRE

The Science Oxford Centre is a unique experience for primary-aged children and families where all you need to get started is a little curiosity. Family Days are run every Saturday. Tickets allow two hours in the Exploration Zone and access to the woodland and outdoors all day.

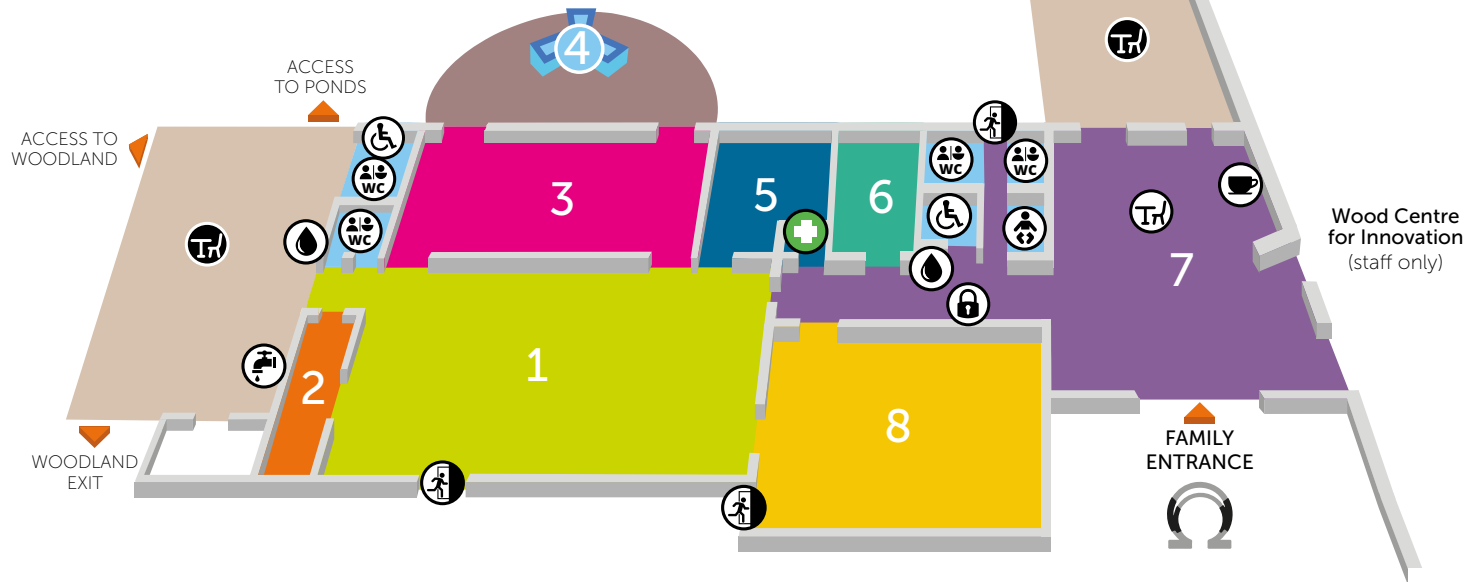

The **Exploration Zone** has over 20 hands-on activities where you can create your own experiments, test your own designs and make your own discoveries. Fun for all the family!

The **Live Lab** is a dedicated space where we host regular hands-on science activities for our visitors, from snail racing to the DNA of strawberries. You might even meet a real scientist!

Our interactive **Saturday Clubs** – Science Club, Nature Club and Creative Computing Club – regularly run in the Classroom, for young people aged 5–12. Club themes and tickets are available via our website.

1 Exploration Zone
(with hands-on exhibits)
