

Getting to the Science Oxford Centre

If you are coming to the Centre by coach or minibus, please pass the following directions on to your travel provider.

Directions

We request coaches and minibuses approach the Centre along the following routes. There is just one departure route along Old Road. The drop-off point is on Douglas Downes Close, marked  on the maps below.

IMPORTANT

Please **do not** use Sat Nav directions and approach the Centre via Quarry Hollow or Quarry High Street as these streets are too narrow for coach access and larger minibuses.

By coach

The driveway to the Science Oxford Centre is **not accessible** for coaches. The drop-off and pick-up point (marked  on the maps) is on Quarry Road, close to Douglas Downes Close. Please do not block the entrance to Douglas Downes Close. Science Oxford staff will meet arrivals and escort children to and from the Centre. There are no on-site parking facilities for coaches but these can be found at Redbridge Park & Ride (OX1 4XG), a 15- to 25-minute drive from Quarry Road.

By minibus

The Centre is accessible to minibuses and parking for minibuses can be arranged. Please request parking at the time of booking.
